

Frontier Lodge

Hello,

Thank you for your interest in the Operations Staff role at Frontier Lodge.

Frontier Lodge is in an exciting place to be. In a normal year, we have stable finances, highly satisfied groups who return year after year, a talented staff team and clear direction. We live, work and play in the Rocky Mountains near Nordegg, Alberta. That right in between Banff and Jasper national parks. And, most importantly, we get to love, host, inspire, and challenge participants towards the one true God.

We are a year-round Christian Outdoor Adventure Center and are aspiring to be the very best at providing “well facilitated, transformational, outdoor adventures.” Our calling is that through providing excellent adventure and hospitality we can “inspire people to experience and know the Goodness of God.”

Our team is currently in need of full-time, Operation Staff members. These staff will work closely with the rest of the team to carry out many of the behind the scene and inner workings tasks at Frontier. The traditional roles and responsibilities are detailed on the next page but are subject to change based on the needs of the organization, future growth and abilities/interests of each Operational Staff Member.

This position is ideally suited for someone who likes to work collaboratively and enjoys multiple facets of work life. One day could consist of working completely in a labor type role in an outside environment and the next, indoors in the kitchen or on an indoor site tasks. The position therefore, requires a high level of flexibility and willingness to serve the vision of Frontier from many areas. See below for a more detailed Job Description.

We are a growing organization and this role will be dynamic, challenging and rewarding for the right individual.

The right person might have a background in the camp or outdoor field, farm life experience, working in a kitchen or some basic cooking experience, construction or trades training, and/or a high level of willingness to learn and grow into the position. There is no one “right” individual for this position- but the right individual will certainly be passionate about Frontier Lodge and eager serve the Lord through their life here.

The financial reward is low, the location is remote and the winters are cold but we believe we are called to important Kingdom work.

Would you consider joining us?

Sincerely,

Mac Vidal
